

**AMENDMENT****OFFERED BY MR. BARRETT OF SOUTH CAROLINA**

At the end of subtitle B of title IV of division A, insert the following new section:

1   **SEC. 14036. STUDY TO DETERMINE FEASIBILITY OF DEVEL-**  
2                   **OPING COMMERCIAL NUCLEAR ENERGY PRO-**  
3                   **DUCTION FACILITIES AT EXISTING DEPART-**  
4                   **MENT OF ENERGY SITES.**

5       (a) IN GENERAL.—The Secretary of Energy shall  
6   conduct a study to determine the feasibility of developing  
7   commercial nuclear energy production facilities at Depart-  
8   ment of Energy sites in existence on the date of the enact-  
9   ment of this Act, including—

10           (1) options for how and where nuclear power  
11   plants can be developed on existing Department of  
12   Energy sites;

13           (2) estimates on cost savings to the Federal  
14   Government that may be realized by locating new  
15   nuclear power plants on Federal sites;

16           (3) the feasibility of incorporating new tech-  
17   nology into nuclear power plants located on Federal  
18   sites;

1           (4) potential improvements in the licensing and  
2           safety oversight procedures of nuclear power plants  
3           located on Federal sites;

4           (5) an assessment of the effects of nuclear  
5           waste management policies and projects as a result  
6           of locating nuclear power plants located on Federal  
7           sites; and

8           (6) any other factors that the Secretary believes  
9           would be relevant in making the determination.

10          (b) REPORT.—Not later than 90 days after the date  
11          of the enactment of this Act, the Secretary shall submit  
12          to Congress a report describing the results of the study  
13          under subsection (a).
